Mr. Allen Dulles

Central Intelligence Agency

Washington, D.C.

Dear Sir,

Would your agency, or, The U. S. Government, be interested in the following.

1. Penetration of the "Iron Curtain," by radio with the CONSENT of the Russian Govt.
2. Nullify and render ineffective all Russian propaganda.
3. Creation of a situation of extreme distrust between Red China and Russia.
4. A way to make any country suspicious of and distrustful of Russia.

If your agency or The U. S. Govt. are interested, get in touch with me. I know how it could be done.

Sincerely yours,  
Halter M. M. 11-666

Also consider the possibility of making it extremely hazardous and difficult for the Russians to test either Atom or Hydrogen bombs.
